Thank you for your interest in viewing our "donations" tab. Hopefully, you'll gladly assist us. We are a 501 (c)(3) organization and therefore, non-profit. To provide the pontoon, boat, trailer and all accessories, we rely totally on financial donations and gifts which are tax deductible and very much appreciated.

Thus far, we've had individuals give from $5 to $500 and companies/other organizations donate from $250 to as much as $10,000. Please understand that to us no donation is too small and to continue to operate, we'll need the on-going support of many individuals and businesses; whatever the amount!

The specially designed-for-seniors pontoon, outboard motor, and trailer alone cost our chapter $35,000. We need to generate approximately $15,000 - $20,000 per year for administrative and on-going expenses. Keep in mind that all people involved in our local chapter are volunteers and do not receive any compensation.
